Preface

Welcome to our glorious institution Bangabasi Evening College (NAAC re-accredited as B+ +), which is located at 19, Rajkumar Chakraborty Sarani, Kolkata - 700009. The historical institution, Bangabasi College emerged from Bangabasi School, founded by Acharya Girish Chandra Bose in 1885 in a rented house at Bowbazar Street with just 6 teachers and 12 students. The College shifted to its present building in the year 1903. The College derived its name from the then patriotic newspaper, 'Bangabasi'. The College is located in the vicinity of Sealdah Station in Central Kolkata giving easy access to students coming from rural, semi-urban and urban areas. Bangabasi Evening College was originally an integral part of Bangabasi College, which was founded by the great educationist and philanthropist Acharya Girish Chandra Bose. By leaving aside the lucrative job he took upon himself the tough job of educating his poor, illiterate countrymen. In this noble cause his mentors were none but Ishwar Chandra Vidyasagar, Bhupal Chandra Bose (father-in-law of Sri Aurobinda), Lord Satyendra Prasad Sinha and others. The aim of the college was two-fold—to cater to the growing demand for higher education and to nurture the spirit of nationalism in the minds of young learners. The evening section was actually opened in 1940 to accommodate the working students both male and female. The influx of students compelled the government to open the evening sections of the big colleges into autonomous colleges. Thus Bangabasi Evening College came into being in 1965 as a full-fledged evening college. However, the original ideals continue to be the guiding lights of this college. Bangabasi Evening College offers educational opportunities to students from all over West Bengal (and even further afield, particularly to first generation learners and those below the poverty line) in Commerce, Science and Arts Subjects. The particular focus continued to be on employed students. Hence, the College Starts from 4.30 pm and runs up to 9.00pm.

'Bangabasi College' (1887 AD.), with the sole objective of promoting the cause of education in Bengal during the nineteenth century Renaissance in India. After the independence of India in 1947A.D. there was an influx of young talents from the then East Bengal (now Bangladesh) and elsewhere. In order to accommodate them as well as to ease the tremendous pressure of admission to the College three new shifts like Morning, Evening and Commerce had to be opened. Bangabasi Evening section was founded by Sri Prasanta Kumar Bose, the noted educationist of Bengal and the illustrious son of Acharya Girish Chandra Bose in 1940 for the needy working students. In 1944 he introduced the Arts and Science faculties in the Evening section. Through the introduction of the 'Phase Reduction Scheme' of the University Grants Commission the separate existence of Bangabasi Evening College was officially recognized on 11 April, 1965 under a separate Governing Body. It is located at the heart of the megacity, Kolkata. It is surrounded by 4 major roads of Kolkata, namely, Acharyya Prafulla Chandra Road at the East side, Raja Rammohan Sarani at the West, Mahatma Gandhi Road at the North and at the South side Bipin Bihari Ganguly Street is located. Bangabasi Evening College is a renowned educational institution with rich cultural tradition in its background. The College spreads its academic umbrella in various new directions to accommodate, nurture and stimulate the mediocre as well as bright students of the cross section of the society. To give a systematic account of the various achievements of the College. During its journey of 59 years, Bangabasi Evening College has encouraged the vision of distinction through continuous improvement of the teaching - learning process helped by research and all other academic pursuits. The college is proud of its students who emerge as achievers in diverse spheres in spite of limitations. The relationship between teachers and students is one of our greatest strengths. The teachers are totally dedicated to the interest of students motivating them to do their best in their chosen fields. With generous help and encouragement of the Governing Body, administrative and financial assistance from the Department of Higher Education, Government of West Bengal and constant cooperation from all the stakeholders, Bangabasi Evening College has been playing a major role in contributing to the cause of weaker and poorer sections in the country, producing empowered and enlightened individuals.

It is appropriate to consider how it has grown in terms of teaching, research, infrastructure and administrative improvements. The College has reached its high level of excellence due to the dedicated team work of the teaching, administrative, assisting staff members, also getting support and encouragement from the Governing Body and above all administrative and financial support from the Government of West Bengal. To commemorate the glorious past, the committee resolved that a valuable volume would be published highlighting every aspect and achievement of the institution. Prof. Prasanta Kumar Bose, the illustrious son of Acharya Girish Chandra Bose was the founder Principal of Bangabasi Evening College. Now it offers Honours degrees in Bengali, English, Hindi, Sanskrit, History, Political Science, Philosophy, Chemistry, Mathematics, Anthropology, Economics, Physiology, Botany and Accountancy. regular course in M.Sc under University of Calcutta. Two BVoc courses sponsored by UGC opened in 2018 i.e., (1) Banking, financial services and insurance (2) Hospitality and tourism There are many opportunities for students to work with our faculty to improve their quality of learning. Our permanent and guest faculty members are amply efficient and also affectionate in

solving the problems of the students. Many teachers are engaged in active research funded by UGC and DST research projects in specialized areas. PhD works are also performed here in the Botany and Mathematics Department. Some UGC and DST seminars have recently been organized in the Anthropology, Sanskrit, History, Botany and Mathematics department.

Bangabasi Evening College has celebrated its Golden Jubilee in the session 2014-2015. The Jubilee celebrations were inaugurated by a walk or a 'padayatra' by students and staff to the University of Calcutta (and back) where the then Vice-Chancellor Dr. Suranjan Das graced the programmes, held in honour of the occasion. Diamond Jubilee Celebration

an academic journal named 'Nascent'. Dr. S. P. Mukherjee and Dr. Ritwick Dasgupta were the editors of the journal which contained articles and essays on science, commerce and arts contributed by the teachers. The Board of advisors included the editors and Dr. Ratan Kumar Banerjee, the then Principal of this college. The objective of the journal was to revive the mental, physical, social and spiritual dimensions. Nascent paved the way for a new research journal, 'Synthesis'. A multi-disciplinary Research Journal which came into existence in the 2014-15 academic year. The members of the Editorial Board were Dr. Uttam Kumar Bhattacharya, Associate IDSK Professor, Institute of Development Studies, Kolkata, Prof. Prosenjit Mukherjee, Assistant Professor, Bangabasi Evening College, Kolkata, Dr. Suparna Banerjee, Assistant Professor, Bangabasi Evening College, Kolkata. The mission of the research journals published by the College is primarily to encourage the spirit of enquiry in its teachers and students. Further it offers opportunities to those who already have research interests for publishing and disseminating their work. It is also hoped that this will establish an academic communication with other institutions and within the college, a lateral interest in various subjects which can lead to interdisciplinary collaborations. After the closing ceremony several Seminar Lectures, Quizzes, and invited Lectures were organized, among which Professor Gunter Stange of Gothe University, Frankfurt, Germany delivered his enlightened speech on a topic of Anthropology that made the audience spellbound. "NASCENT, A multidisciplinary Book" (Edited by Prof. Prosenjit Mukherjee and Dr. Suparna Banerjee) has been published in the year 2017. In 2018-19 RUSA (Rastriya Uchchatar Siksha Abhijan) has sanctioned a Grant of Rs 2 Crore for all round development of our college. Moreover, UGC through NSQF has sanctioned two new courses i.e., 1. Banking, financial services and insurance 2. Hospitality and tourism, which are another two new feathers in our cap. In the subsequent years the parade of

grandeur of the college remained unremitting by the successful utilization of MP Grant, acquisition of 2nd lot of RUSA fund from Central Government and State Government, attainment of NSQF fund of UGC to successfully run BVoc courses. Within the period 19 substantive teachers, 13 NTS and 20 SACTS have been recruited. The number of students increased several fold. Newly introduced Botany Hons, PGMATH and BVoc courses are running efficiently.

Dr. Panchanan Halder, expressing his observation about the Diamond Jubilee

Hindi Divas

Undoubtedly it is true that the total system of education has been implemented after the declaration of the Lock-down phase to prevent COVID 19 in the year of 2020. During the lockdown phase regular classes were taken by the teacher through the college website. Several National and International Webinar lectures were organized by the college. There was a persistent notion or obsession that education is never possible without chalk and talk, though now we are traveling upon the ground of hard reality that uninterrupted classroom education of so many people in our country according to demand and supply would never be possible, especially in case of natural calamity prone areas or in contagious disease prevalent areas. We would have to choose between Conventionalism and Activism, which one would be more suitable for us. Conventionalism means classroom education and activism means modern system of e-learning. Every idea has got its own limitations. We must conclude that no one is self-sufficient, one has to depend on others. The combination of both will make the education system more meaningful. The first Webinar Lecture was organized by the department of Vocational studies. Dr Debajyoti Chanda, Head, Department of Mass communication and videography, Rabindra Bharati University and Dr Amartya Saha Head, Department of Journalism and Mass Communication delivered lectures. PG Math Department in collaboration with Gurudas College has organized a two days international webinar from 22.6.20 to 23.6.20. Dr. Neil Hindman, Emeritus Professor of Mathematics, Harvard University, delivered a lecture on Topology and its interaction with other fields of Mathematics (on Stone-Čech compactification). Prof Atasi Debray, Dept of Pure Math, CU and Dr Supriya Mukherjee, HoD, Dept. of Mathematics, Gurudas college along with students and teachers of both the colleges were present in the webinar. Bangabasi Evening College is located at the heart of the megacity, with no dearth of schools and colleges. So the construction of a new campus in such a place did not sound consistent. When Acharya Girish Chandra Bose established the mother institution in central Calcutta (Year 1887), there was hardly any scope for the growing youth. During the nineteenth-century Renaissance in India, under British Rule, several educational institutions (Schools and Colleges) were established by the intelligentsia of Bengal with the support of the Government. Bangabasi College was one of them. Other Colleges include Hindu College (Presidency College),

Scottish Church College, St Xavier's College, Vidyasagar College, City College, Surendra Nath College etc. Now there are ample schools and colleges in every lane and alleys of central Calcutta. Whereas in Mallickpur of South 24 Parganas, which is a minority belt, there is very little scope for spreading education, especially amongst the minority women. Moreover, as central Calcutta is a highly congested area, procuring buildings or land is very expensive. There are several cases of litigation as well in purchasing or taking lease of the same. There is a decreasing trend of the number of students in the colleges of central Calcutta during the last 2-3 years. So the college authority decided to bring such an area under the academic umbrella of this renowned institution.
